Chapter 16
An Appendix..... 175

More things it's worth knowing

What's the difference between PowerDirector Deluxe, Ultra and Ultimate?	176
What is the directorZone?	176
How can I grab a freeze frame or take a snapshot of my video?	177
How can I speed up or slow down my video?	178
What are "shadow files?"	178
Where can I set my project to edit my audio 5.1 surround sound rather than stereo?	179
What is 3D Depth?	179
What is Intelligent SVRT?	179
How can I add a time stamp to my videos?	180
What are Favorites?	180
How do I blur a face like on TV's COPS?	181
Need some Basic Training?	183
